

## Medication

In order to give your child medication in school, we are required by New York State Law to have on file a **written order from your doctor AND a written request from the parent or guardian.**

Medication must be in a container labeled by the pharmacist. Please ask for two bottles: one for home and one for school. Medication and refills must be brought to school by a parent, guardian, or responsible adult. No medication will be administered at school without the proper written permission from the doctor and parent/guardian.

**Please do not send any medications, including cough drops, to school with your child.**

If you have any questions, please call the school nurse, Mrs. Wilson at 594-3136.
