Assistant Superintendent
for Instruction and School Improvement

April 14, 2021

Dear NRW community,

As you may be aware, the New York State Department of Health recently updated its guidance for in-person instruction during the COVID-19 pandemic. These guidelines enable school districts to bring back students for in-person instruction while maintaining mask wearing and social distancing of 3 feet, dependent upon the transmission rate of Wayne County communicated to us by the county's public health department.

A recent survey of NRW families indicated that approximately 83 percent of families wish for their children to learn in-person four days a week. Given the community's response and the updated guidance, we have targeted **Monday, April 26, 2021** as a start date for in-person instruction four days a week for NRW students in **grades 2 through 8**. UPK, kindergarten and first-grade students will continue to attend in-person four days a week.

The updated guidance allows students in UPK through 8th grade to be socially distanced by 3 feet instead of 6 feet, except for when eating or without masks. In order to achieve a 6-foot distance while eating, some students may eat in a location other than their classroom. Students in grades 2-8 will be required to bring their Chromebooks back and forth to school each day. We will continue to follow hand hygiene, mask wearing and other protocols that the CDC has in place.

Please note that students in grades 9 through 12 will continue attending school in-person two days a week and virtually three days a week, as the guidance states that students must be 6 feet apart if they are not cohorted. We are unable to keep high school students with the same peers all day due to the nature of student schedules.

The district will maintain Wednesdays as remote instruction days to allow our maintenance staff to sanitize the buildings each week. Wednesday food deliveries will continue at this time.

In the event of a COVID-19 case arising in one of our buildings, we will continue to follow the guidance of Wayne County Public Health, which could result in a switch to hybrid or virtual learning for affected students.

We will continue to offer a fully virtual instruction option for families who choose to do so. Any parent or guardian interested in switching their child from fully virtual to four days of in-person instruction, or from in-person to fully virtual instruction, should contact the main office of their child's school by **Wednesday, April 21, 2021**. This decision will be final for the remainder of the school year. Students in grades 2-8 will be expected to attend in person four days a week unless a parent or guardian wishes to switch the child to fully virtual instruction.

The district will follow the practice of filling school buses to two-thirds of capacity, which is approximately 44 students per bus. Due to the increase in the number of students riding the bus, pickup and drop-off times may change. The transportation department will communicate any changes in bus schedules to affected families. Any student who needs to be dropped off at a location other than home will need to complete an alternate transportation request form by **Wednesday, April 21, 2021**. The completed form may be dropped off at any school's main office or the transportation department building.

We appreciate your understanding and cooperation as we implement these changes and are excited to have the ability to welcome more of our learners back to school four days a week.

Respectfully,

Michael Pullen
Superintendent of Schools

Subject: Transportation Childcare Policy

2007 5732
Non-Instructional/Business Operations

The North Rose – Wolcott Central School District recognizes the need to accommodate transportation requests for District students to be transported to and/or from an address other than their home. These requests should be necessitated by a working parent's need to provide childcare service before and/or after normal school hours. Childcare transportation requests will be approved if they meet the following criteria:

- a) Childcare transportation will be available to students in grade K through 8.
- b) A child must be eligible for transportation according to the transportation eligibility policy in order to be transported to or from a childcare provider.
- c) The childcare provider must be located within the North Rose – Wolcott Central School District and on an already existing bus route. Door-to-door bus service will not necessarily be provided. New bus routes will not be created and already established bus routes will not be altered.
- d) Transportation must be consistent week to week. A child's daily schedule for pick-up and drop-off may be different each day of the week with a maximum of two (2) pickup and two (2) drop off points for the week. For example, a child may go to daycare Monday, Wednesday and Friday and home the other two (2) days. The schedule must remain the same every week for the entire school year.
- e) All childcare request forms must be completed and returned to the Transportation Department Office by July 30th. We cannot guarantee that childcare requests received after July 30th will be approved. You must complete one (1) form per child. Requests must be renewed each subsequent year by submitting a new request by the July 30th deadline.

Asunto: TRANSPORTE DE CUIDADO INFANTIL

El Distrito Escolar North Rose-Wolcott Central reconoce la necesidad de satisfacer las solicitudes de transporte para que los estudiantes del distrito sean transportados hacia y/o desde una dirección que no sea su hogar. Estas solicitudes deben ser requeridas por una necesidad de los padres que trabajan para proporcionar servicio de cuidado infantil antes y/o después del horario escolar normal. Las solicitudes de transporte para el cuidado infantil serán aprobadas si cumplen con los siguientes criterios:

- a) El transporte para el cuidado infantil estará disponible para los estudiantes en los grados K a 8.
- b) Un niño debe ser elegible para transporte de acuerdo con la política de elegibilidad de transporte para ser transportado hacia o desde un proveedor de cuidado infantil.
- c) El proveedor de cuidado infantil debe estar ubicado dentro del Distrito Escolar North Rose-Wolcott Central y en una ruta de autobús ya existente. El servicio de autobús puerta a puerta no se proporcionará necesariamente. No se crearán nuevas rutas de autobús y no se modificarán las rutas de autobús ya establecidas.
- d) El transporte debe ser constante de semana a semana. El horario diario de recoger y dejar de un niño puede ser diferente cada día de la semana con un máximo de dos (2) puntos de recoger y dos (2) puntos de dejar por semana. Por ejemplo, un niño puede ir a la guardería los lunes, miércoles y viernes y a casa los otros dos (2) días. El horario debe ser el mismo todas las semanas durante todo el año escolar.
- e) Todos los formularios de solicitud de cuidado infantil deben completarse y devolverse a la Oficina del Departamento de Transporte antes del 30 de julio. No podemos garantizar que las solicitudes de cuidado infantil recibidas después del 30 de julio serán aprobadas. Debe completar un (1) formulario por niño. Las solicitudes deben renovarse cada año subsiguiente presentando una nueva solicitud antes de la fecha límite del 30 de julio.
