

## Elementary Summer Escape 2021

### Go For the Gold!

North Rose-Wolcott Families:

Summer is a great time to continue learning! We are excited to announce the return to **in-person programming** for the 2021 Summer Escape program. This partnership between the North Rose-Wolcott Central School District and the 21st Century Community Learning Centers grant combines **academic support** for all students with hands-on **enrichment activities** to engage your child. Students will have the opportunity to participate in swimming lessons, STEAM, arts and crafts, team games, and other activities designed to encourage your child to learn through play.

Summer Escape will be held **Mondays - Fridays** from **8:00 - 2:00** at North Rose-Wolcott Elementary school. Breakfast and lunch are provided, as well as transportation to and from the program. Students **currently enrolled in kindergarten - 6th grade** are eligible to participate. There is no cost to participate in the program. Masking will be required and all social distancing protocols will be followed.

In order to accommodate as many students as possible while following social distancing guidelines, we are offering two sessions this summer:

**Session 1:** July 6th - July 23rd

**Session 2:** July 26th - August 13th

You may choose to enroll your child in **either** Session 1 or Session 2. We are unable to accommodate requests for children to attend both sessions.

If you would like your child to attend, please click on the link below to sign up, or call your school's main office by April 28th.
