Mr. Scott Bradley  
Principal

Mr. Jason Shetler  
Assistant Principal

July 30, 2022

Dear Parents/Guardians:

Welcome to NRW High School! We are excited to have our new 9<sup>th</sup> graders join us for the 2022-23 school year. The transition from middle school to high school can be a challenge and leave students feeling nervous, but it is really an extremely exciting time!

High school offers a host of new opportunities for students – academics, athletics, and extra-curricular opportunities are abundant for our high school students. They finally have a chance to give input on what classes they take. Students can participate on athletic teams during all three seasons if they wish. There are many clubs and activities to participate in after the school day; there is bound to be something for everyone.

To help students with the transition to high school, we are hosting a Freshman Orientation on **Wednesday, August 24 from 3-6:45pm**. The first three hours are intended just for students. They will spend this time with some of the freshman teachers, counseling staff, and administrators learning where their classrooms and lockers are, becoming familiar with the high school building, and participating in some fun, team-building activities.

**Parents/guardians are invited to join us at 6:00pm** in the high school auditorium for a brief overview of what to expect for their high school student. We will review courses students are required to take, elective programs, Regents credits, and opportunities available to all NRW High School students.

If your student needs transportation to the orientation, please contact the high school main office by Friday, August 12 at (315) 594-3100. **Students will need to be picked up at the end of the orientation at 6:45pm if a family member does not attend.** Refreshments will be provided to students during the orientation and they will have an opportunity to get to know some of the high school staff!

Sincerely,

Scott Bradley  
Principal  
North Rose-Wolcott High School
