Assistant Superintendent
for Instruction and School Improvement

September 19, 2022

NRW families,

As we get back into the routine of the new school year, the District wishes to remind families to continue to take precautions against the spread of COVID-19. Please continue to practice the following prevention measures:

- ***Please keep your child home from school if they have a fever or other symptoms of COVID-19.*** A full list of symptoms can be found at www.cdc.gov/coronavirus. Students who demonstrate COVID-19 symptoms while at school can be tested at school with parental consent or sent home for parents/guardians to follow up.
- Please continue to take precautions including frequent hand washing and physical distancing. The District continues to provide access to hand sanitizing stations and frequently sanitize high-touch areas in the buildings.

We appreciate your understanding and cooperation as we continue to ensure a safe and healthy learning environment for our students.

Respectfully,

Michael Pullen
Superintendent of Schools
